

Map and Directions

Welcome to the Sunshine Coast of BC, Canada. Just a short ferry ride from Vancouver we are located in cottage country. A trip to the Sunshine Coast will show you British Columbia's supernatural environment at it's best. Boarding the ferry in Horseshoe Bay, your journey to the Sunshine Coast really begins. For forty minutes you will be enchanted by the scenery of fir and cedar treed islands against a backdrop of coastal mountains.

After docking it is a twenty-six kilometre drive on Highway 101 to the town of Sechelt. On the way you pass the fishing and beach combing village of Gibsons Landing, the 'gumboot' community of Roberts Creek and the self-governing Sechelt Indian Band to Sechelt with it's cafes, coffee houses and pubs.

From Sechelt it's a short drive along the inlet to the Dreamcatcher Cottage. Entering Sechelt you come to the third set of lights: turn right onto Wharf Street. Continue along Wharf Street for four blocks and turn right onto Porpoise Bay Road. This road travels north for 9 kilometres past Porpoise Bay Provincial Park and the local community of Sandy Hook.

The Dreamcatcher Cottage is located in the community of Tuwanek. Just continue along the road past the beach and you will see our number 7638 on the antlers at the edge of our driveway. The cottage is located on the right side of the road.
